

COBALT BLK SHWR PK

COBALT Shower Range Black Cobalt Shower Pack

Features:

- This shower pack has soft square handles on our Cobalt shower valve with integral two outlet diverter. It has a 200mm square fixed head with shower arm; a single function handset and hose with integral handset holder and wall outlet.
- Rub-clean anti-limescale fixed head and handset
- A black finish that will make a statement in any bathroom
- The shower valve has been designed to fit in any UK wall cavity and therefore only needs a 35mm deep cavity space
- Dual control - flow and temperature are controlled separately
- Cartridge can be accessed from the front and requires rear access to service filters
- 15mm inlet connections
