| Plumbing System Requirements: | Suitable for all plumbing systems |
| Minimum Dynamic Pressure (bar): | 0.5 bar |
| Maximum Dynamic Pressure (bar): | 5 bar |
| Maximum Hot Water Temperature °C: | 60°C |
| Maximum Static Pressure (bar): | 10 bar |
| Flow Type: | Single |
| Isolation Included: | No |

Features:

- Eco Start technology saves energy by having cold water as the default central start position of the tap handle. Hot water is only activated when the tap lever is moved from the central position, so your boiler is not unnecessarily fired up.
- This tap has a flow regulator, which limits the flow of water to 5 litres per minute, reducing the amount of water you use.
- Long life ceramic cartridge for added durability and smooth control.
- Everything you need in the box including flexible tails and clicker waste so nothing to buy separately.
- On-trend matt black finish to make a statement in your bathroom or WC.
- 10-year parts and 1 year labour guarantee for peace of mind.
- Also available in chrome.
- Co-ordinating Bathroom taps available.
